Alexandre Santos

Full-Stack (Web Developer)

WORK EXPERIENCE

Tech-Sync, Bergen County, NJ
Full-Stack Developer   Sep. 2024 – Present

• Architect and implement a robust MERN Stack application. With authenticated user login capabilities using JWT.
• Leverage Bulma and React to create dynamic, responsive front-end multi-page application.
• Craft intuitive UX/UI designs that enhance user-friendliness, contributing to a more enjoyable user experience.
• Utilize git and github to collaborate with other developers.

ConnectOne Bank, Ridgewood, NJ
Banking Relationship Specialist   Aug. 2022 - Sep. 2024

• Support the Bank's "client first" focus and rules of engagement.
• Perform account opening for deposit products and educate clients on the bank's product and service offerings.
• Ensure all activities, transactions and records follow operational, security and control procedures of the Bank, preventing fraud and protecting customer assets.
• Work with other branch team members on loan transactions and operational matter.
• Perform Teller functions, accepting deposits, cashing checks, and assisting clients with other banking needs, and branch opening and closing as needed.

Peapack-Gladstone Bank, Bedminster, NJ
Data Analyst Intern   Jun. 2021 – Aug. 2021

• Created and presented loan risk exception reports, allowing directors to measure the overall portfolio risk of the bank.
• Designed a strategic plan for an all-in-one mobile banking app along with other interns, which enhanced customer satisfaction.
• Automated credit analysis spreadsheets in Excel saving approximately three days of work each quarter for a team of two people.

Peapack-Gladstone Bank , Bedminster, NJ
Data Analyst Intern   Jun. 2020 – Aug. 2020

• Compiled and analyzed prospective client data for underwriting team.
• Evaluated proposed loans for credit risk and preparation of loan proposals.
• Critiqued commercial credit proposals being presented by Loan Officers.
• Assisted in the management and monitoring activities of the Commercial/ Community Banking loan portfolio.
